\$50 minimum on all toning
selenium toning add 25%
sepia toning add 50%

Film Processing & Proofing

All film is hand-processed in developers selected for the optimum performance from each film type. Standard developers include X-tol, HC-110 and Tmax. Other developers available with extra charge.

35mm/120	8.00	Proofs	
220	10.00	8.5x11	4.50/2.50
4x5	3.00 (20.00 min.)	11x14	30.00/22.00
8x10	7.50 (30.00 min.)	16x20	45.00/25.00

Special Services

Normal dust-spotting is free. Additional spotting is billed at \$60/hr.
Bleaching, etching, other retouching \$60/hr.

The utmost care is taken with your negatives for processing and printing, however, we assume no liability for loss or damage beyond replacement with unexposed film of the same type and size. Nor do we assume liability for damage to any other item left with us for any reason.
